

CERTIFICATE OF COMPLIANCE

Pursuant to the agreement between

_____ *ACG Member Company*

_____ *Client*

All systems and equipment as identified in the commissioning plan shall be commissioned in accordance with the ACG Commissioning Guideline. If the ACG member listed above fails to provide the commissioning services as prescribed, ACG agrees to intervene on behalf of the client to help reach a satisfactory solution.

As part of this Certificate, the client may call upon ACG to assist with any technical problems relating to the final commissioning report. These services will be made available at no additional charge to the client.
